The Meducator Perspective

We at the Meducator adopt an educational approach to our publication. Despite our efforts to ensure correctness, we recognize that the publication is subject to errors and omissions. In light of these inevitable errors and new developments in the medical field, the Meducator invites you to partake in feedback, discussion and constructive criticism of the content herein with the purpose of furthering the understanding of the topic - in the name of *meducation* and discovery. An online discussion forum for each article will be available on our website: www.meducator.org or www.msu.mcmaster.ca/clubs/meducator.htm. Students and professors alike are welcome. Please enjoy the Meducator online experience!
