About The McMaster Meducator

The McMaster Meducator adopts an educational approach to our publication. Despite our efforts to ensure correctness, we recognize that the publication may be subject to errors and omissions. In light of these potential errors and new developments in the medical field, we invite you to partake in feedback and constructive discussion of the content herein for the purpose of furthering your understanding of the topic in the name of education and discovery. An online discussion forum for each article is available on our website: www.meducator.org. Students and professors alike are welcome. Please enjoy the Meducator online experience!

Disclaimer: The views represented in the articles do not necessarily reflect those of the McMaster Meducator and should not be substituted for medical advice.
