

DOERING LAB

WRITE FOR US

The Meducator is currently accepting *Research Insight* and *Critical Review* articles for our next issue. For more information about how to write for us, send us an email at: the.meducator@learnlink.mcmaster.ca

ACKNOWLEDGEMENTS

The Meducator would like to thank the Bachelor of Health Sciences (Honours) Program, the McMaster Students Union, the McMaster Alumni Association and the McMaster Student Services Committee for their generous support.

ANNOUNCEMENTS

Visit our website at www.meducator.org to view our new web archives. The website gives access to an online version of this issue.

Follow *The Meducator* on **Facebook**: www.facebook.com/meducator & on **Twitter** (@TheMeducator). Our Facebook and Twitter pages post regular MedWires, which update you on current advances in the health sciences.

YouTube Channel

The Meducator has launched a new **YouTube** channel! Watch our recent videos at: www.youtube.com/MeducatorTV

Feedback

This issue contains many new changes for *The Meducator*. We would like to hear your feedback on these changes. Post on our Facebook page or send us an email—we value your input.
